Summer is over-- Lets Go Racing with Cal Club

Buttonwillow, CA-August 27, 2012 – The California Sports Car Club will start its fall season September 1st and 2nd with a combined National/Regional weekend. There will be a busy schedule of 4 races both Saturday and Sunday at their Buttonwillow Raceway Park located just West of Bakersfield. Practice and qualifying each morning, racing each afternoon. The track has many amenities, grassy picnic and play areas for families and spectators, three story race control building containing a gift shop, restaurant with indoor seating and viewing area on the second story. Spectators are always welcome. This should be a great spectator event and a very special road racing weekend for the Central Valley.

This will be the last National for those hoping to qualify for the SCCA National Championship Runoffs September 18th through the 23rd and take home a National Championship trophy. The "Runoffs" bring champions from every Region of the SCCA across the country for this once a year event at Road America in Wisconsin.

Cal Club is a region of the Sports Car Club of America, the builder of Buttonwillow Raceway Park located in Buttonwillow, California, a few miles west of Bakersfield. The Club in its 62nd year has nearly 2,000 members offering competition programs in road racing, autocross, time trials and road rally. The Club has a rich history of producing some of the world's most noted drivers and the best race volunteers the sport has ever seen. For more information www.calclub.com
