**Held on our new Track 2 starting August!*

PERFORMANCE DRIVING 2022 ENTRY FORM

Ever wanted to drive on a racetrack? Here is your chance!

Our experienced instructors will teach you safety and performance driving techniques in a short classroom session. The instructors will then ride with you around the road courses at Buttonwillow Raceway until you are comfortable. From that point on, they will turn you loose for open lapping and you will always have the opportunity for continued private instruction. Experience the rush of performance driving in a safe and controlled manner on a racetrack, not on a busy public road. Learn car control, skid recovery and emergency braking techniques on our skid pad to make you a safer and more experienced driver on and off the track.
